- We are Christians because:
  - We chose to accept Jesus as our Lord and Savior
  - God chose us to be saved before He created the world
  - Both
- The Greek word *elpis* means:
  - To desire some good thing to happen.
  - To desire some good thing to happen with full expectation that it will come to pass.
- The coming of Jesus that the Thessalonians were waiting for is what we call the \_\_\_\_\_ of the church.
- The word in **1 Thessalonians 1:10** that is translated as “rescue” means \_\_\_\_\_.
- Are you expecting the Rapture to come at any moment?
