

Ministry of Grace Church

Easter 2024 - Listener Notes

- A. The primary responsibility of angels is to deliver God's message to mankind.
- B. Jesus shed a tear at the death of Lazarus.
- C. Because Jesus became a human being, He can sympathize with everything that we go through.
- D. Because of the resurrection of Jesus, Christianity is a living faith

Here's what the resurrection means to Christians:

1. It proves that Jesus is the Son of God. ([John 10:17-18](#))
2. It verifies the truth of Scripture. ([Psalms 110:1](#) & [Psalms 16:10](#))
3. It assures our own future resurrection. ([1 Thessalonians 4:13-18](#))
4. It proves there will be a future judgment. ([Acts 17:31](#))
5. It gives us the power to live the Christian life. ([Romans 6:4](#))
6. It gives us hope for now and the future. ([1 Peter 1:3-5](#))

No matter what is going on in your life, don't be afraid. Why?

Because it's no longer Friday

and

He is risen!
