## **1 Peter 2:18-25 - Listener Notes**

- A. Peter's reference to servants means anyone who has a paying job and has a boss.
- B. We feel joy when we do the proper thing when our sin nature would have us do otherwise.
- C. God also feels joy when we do the proper thing and suffer for it.
- D. Peter teaches us that we should suffer patiently even when we are punished for something of which we are innocent.
- E. Before we were saved, we were like sheep constantly going astray.
- F. If you suffer for your testimony and obedience to Christ, be glad! Rejoice! And give God the praise!
